PRIVACY POLICY

Cryptonex.org ("Cryptonex.org" "we", "us" or "our") protects its users' privacy.
The Privacy Policy explains the way we collect, use and share the information the users provide us while accessing or using www.cryptonex.org web-site ("the Website")
We reserve the right to make changes of the Privacy Policy. Any changes of the Privacy Policy will be posted on the Website. By using the Website, any user must agree to be bound by the terms of the Privacy Policy.

Collection of Information

We collect information and statistics that contain the user's identifying information, including personal data, traffic data, location data, IP address, weblogs and other communication data and the resources that the user access. We also keep details of device information, data collected by cookies and other tracking technologies.

Use of Information

We do not sell the user's personal identifying information to the third parties. We use the information for the purpose of improving the Website and services provided via the Website; researching on the user's activity and interests; preventing fraudulent transactions, unauthorized or illegal activities; protecting the rights and property of Cryptonex.org.

Sharing of Information

We may disclose or share the user's personal data in response to requests by government law enforcement authorities; in case of preventing financial loss, caused by the user's illegal activity; protecting the rights, property, safety of Cryptonex.org, its employees, partners, customers. This includes exchanging information with other companies and organisations for the purpose of fraud protection and financial risk reduction.

Security

We protect the user's personal information against accidental, unlawful or unauthorized destruction, loss, alteration, access, disclosure or use.
However, we are not responsible for the cases the user provides access to the technical devices or the personal information to the third parties.
